

Monarch Club Summer Camp 2019

For our older Social Butterflies! This group is for kids ages 8-16. The focus of The Monarch Club is to use skills learned in our social butterflies groups in a fun, less structured environment with peers.

The Monarch Club provides individuals with the next level of social skills in alignment with their unique challenges and developmental needs. Individual and group therapy will be combined to provide targeted support in a safe clinical and social environment. Groups will target topics such as relationships, job skills, social skills development, executive functioning, self-esteem, and much more!

Monarch Club Social Skills Program Summer Camp

The summer program runs 4 consecutive days from 10:00-1:00 with optional programs before and after.

Cost \$350.00 per week

ALL Camps held at: Social Learning Center 600 Independence Blvd. Virginia Beach, VA 23462

Optional Add-Ons:

Early "Hang-Out" with Friends: 9:00-10:00 Cost \$80.00 per week

Come early for some sensory integration and motor skill development before camp begins.

Afternoon "Hang-Out" with Friends: 1:00-3:00 Cost \$80.00 per week

Stay after for fun problem solving activities with friends targeting important executive functioning skills.
