

SPRING CAMP

Social Butterflies Club® Spring Camps run daily Monday- Thursday from 10:00 am-12:00 pm or 1:00pm-3:00pm. The camps are structured just like our traditional 1x per week therapeutic groups. However, camps are a more intensive approach because of the daily frequency and 2 hour duration. Each camper will receive a progress note at the end of each week with progress note on his/her plan of care. *Please note this is a therapeutic program run by Speech-Language Pathology/Occupational Therapy staff and each camper will need an assessment PRIOR to enrolling in camp.

Social Butterflies Club® Social Skills Program facilitates social communication skills to children in a fun, structured environment. The unique structure of our program also develops speech, language, fine motor, gross motor, and social/play skills. SBC uses therapeutic methods combined with a specialized curriculum in our social groups. Our lead therapists are certified Speech-Language Pathologists/Occupational Therapists who have been trained in the Social Butterflies Club® program along with other therapy methods such as sensory integration. All of our assistants are also trained in the program for continuity of services provided to the children.

COST- \$350.00 per week
